

Internship Information

Fall 2018, Spring 2019, Summer 2019

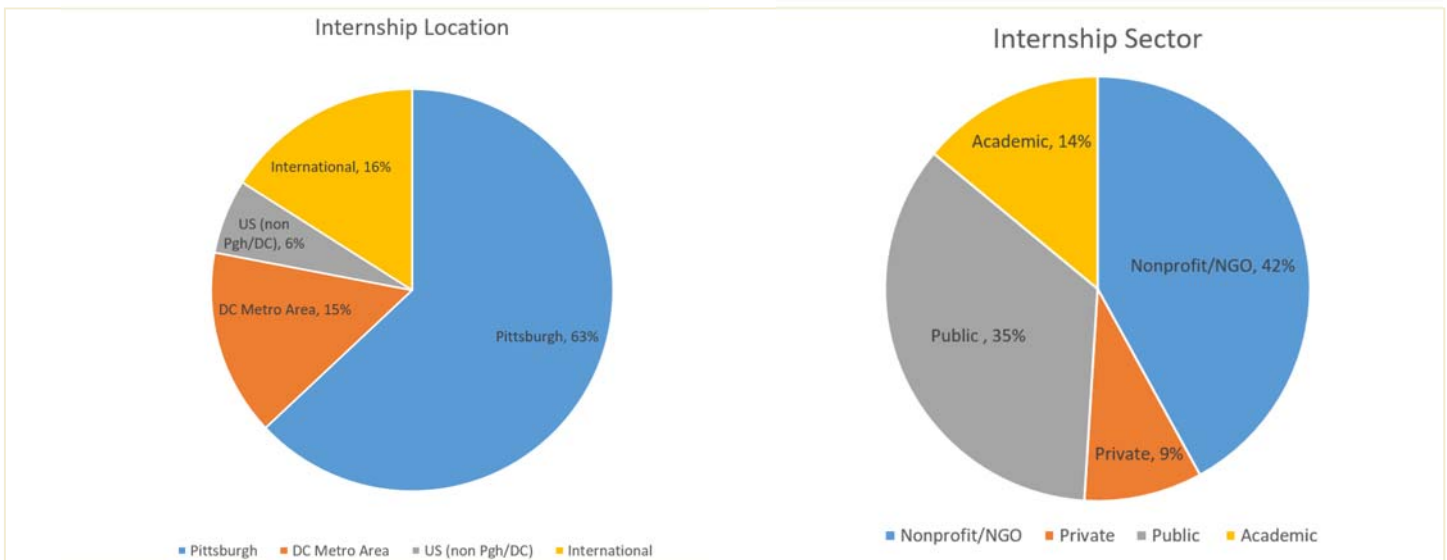

GSPIA STUDENT EXPERIENCES

Shelby Clark & Rachel Vinciguerra
Internship Site: UNDP Thailand

GSPIA students in the MPIA, MID, and MPA programs are required to complete a 300 hour internship relevant to their academic and career goals. Internships allow students to gain first-hand, real world experience across the public, private, and nonprofit sectors. Interns work in local, state, and federal government, and for local, national, and international nonprofits, as well as in the private sector.

GSPIA offers Professional Development Funding to help students defray the cost of these often unpaid internships. Students can apply for funding for up to \$2,000 depending on their type and location of activity. Funds are distributed three times per academic year, and are awarded based on academic merit, integrity of the application, and the quality of the activity in question.
